

DEMOLITION CLEARANCE AGREEMENT

I, _____ have contacted the appropriate utility companies to de-energize, remove or abandon its electric, gas and/or sewer and water facilities at the following location:

Address

City, Village, Township

Property Tax ID Number (Required)

Describe type of building and use (i.e.: Residence, storage building, etc.):

In the interest of safety, the applicant agrees to make a final inspection of the building at the end of the five-day period and if not satisfied that the electric, gas, water and sewer services are disconnected, will call the appropriate utility company and a company representative will respond on an emergency basis to resolve the problem.

The power company agrees to de-energize and remove or abandon its electric facilities serving the above-cited building within five working days, being the end of the workday on _____.

The gas company agrees to de-energize and remove or abandon its gas facilities serving the above-cited building within five working days, being the end of the workday on _____.

The water & sewer company agrees to de-energize and remove or abandon its facilities serving the above-cited building within five working days, being the end of the workday on _____.
